— Musicianship from Day One —

by Sandy Feldstein & Larry Clark

**PERFORMANCE SERIES BEST SELLERS**

www.playintime.com

The compositions in The Yamaha Advantage™ Performance Series are designed to provide exciting performance material which is also pedagogically paced for beginning band programs. The compositions and arrangements which correlate at specific points in The Yamaha Advantage™ band method can be used with great success in any beginning band program.

The series contains selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The composers and arrangers are part of a small group of respected writers in music and music education. Their music is dynamic, fresh and eminently worthy of your attention.

*Band-o-rama is a wonderful march designed for combined performance of beginning, intermediate and high school bands. The composition is available in two versions; one for high school band and one with parts for both elementary and intermediate bands. Each publication is designed so it can be performed separately but when you put them together for a mass band concert, it will bring the house down.*
