PLAYABLE WITH ANY INSTRUMENTATION

**CHRISTMAS CLASSICS**  
**FOR BAND OR SMALL ENSEMBLE**  
 Arr. by Andy Clark

Click here for recording and score view

The 20 Christmas selections contained in this book have been arranged to be playable with any instrumentation - from quartet to full band, as long as it includes the four basic parts labeled: **Melody Part, 2nd Part, 3rd Part, and Bass Part.** Wherever practical, each book will contain two of the four necessary parts. The Conductor's part also doubles as an optional keyboard part. In the event you are able use the keyboard part, it is possible to play these arrangements with any instrument combination including solos, duets and trios as long as both the melody part and the keyboard part are adequately covered. The percussion part is totally optional. Designed with "ease of use" in mind, all of the arrangements in this collection are flexible in terms of the number of repeats and therefore are well suited for accompanying any group singing. In addition, the books in this collection have been printed in a smaller size to accommodate usage in settings where music stands are not practical.
